

Privacy Policy

Last updated: September 5, 2018

This page informs you of Open Domain Sphinx Solutions' policies regarding the collection, use, and disclosure of personal information. Our Privacy Policy applies to personal information we receive from users of this website, as well as personal information that may be collected through our interactions with you.

Logged data. Like many site operators, we may collect information that your browser sends whenever you visit our site. This logged data may include information such as your computer's Internet Protocol address, browser type, browser version, the pages of our site that you visit, the time and date of your visit, the time spent on those pages and other statistics.

Cookies. This website may use cookies to monitor browsing preferences. Cookies are files with a small amount of data, which may include an anonymous unique identifier. Cookies are sent to your browser from a web site and stored on your computer's hard drive. Like many sites, we may use cookies to collect information. You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent.

Information Collection, Use, and Sharing. We are the sole owners of the information collected on this site. We only have access to/collect information that you voluntarily give us via email or other direct contact from you. We will not sell or rent this information to anyone.

We will use your information to respond to you, regarding the reason you contacted us. We will not share your information with any third party outside of our organization, other than as necessary to fulfill your request.

Unless you ask us not to, we may contact you via email in the future to tell you about specials, new products or services, or changes to this privacy policy.

Security. We take precautions to protect your information. If you submit sensitive information via the website, your information is protected both online and offline. If we collect sensitive information, that information is encrypted and transmitted to us in a secure way. You can verify this by looking for a lock icon in the address bar and looking for "https" at the beginning of the address of the Web page.

While we use encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need the information to perform a specific job are granted access to personally identifiable information. The computers/servers in which we store personally identifiable information are kept in a secure environment.

Links. This website may also include links to other websites. These links are provided for your convenience to provide further information. They do not signify that we endorse the website. We have no responsibility for the content of the linked website.

Your Access to and Control Over Information. You may opt out of any future contacts from us at any time. You can do the following at any time by contacting us via info@odsphinx.com: see what data we have about you if any, change/correct any data we have about you, have us delete any data we have about you, express any concern you have about our use of your data.
